be bald and cool like Gandhi*

*We are happy smilers
holding hands, sharing germs
we know not to kick our friends
these are lessons you should learn*

*so next time that you want to fight
remember ZorBarDonEy
you will buy his merchandise*

you're his brainwashed army

*do do do do do do do do
do do do do do do do
do do do do do do do do
do do do do*

... no violence!!
